Westcoast Solar Energy and Sonoma Orchid Inn are hosting a solar seminar custom-tailored for business owners including: wineries, grape growers, farmers, and inns. Westcoast Solar Energy has many installations throughout Sonoma County and understands the needs of business owners. Spend an evening discussing the technology and obtain an understanding of the incentives. Currently the Federal Government is paying business owners 30% of the total cost up front. This opportunity expires at the end of the year.

Solar Discussion Includes:

Welcome: Brian Siewert & Dana Murphy, Sonoma Orchid Inn

Solar Technology: Jeremy Greer, Westcoast Solar Energy

The Solar Experience: Tom Nunes, Nunesdale Farm

Testimonials From other Clients

Westcoast Solar Energy: Nate Gulbransen, President
